Description: A report that DART approved plans to charge some of its riders to park at two popular stations. Customers who don't live within the agency's 13-city service area will have to pay to park at DART's Parker road station and North Carrollton/Frankford station. Rates will be \$2 a day or \$40 a month.

Length: :20

Program: 4 P.M.

Date: 8/18/11

Description: A report that credit card delinquency fell to a 17 year low in the 2nd quarter of 0.6%

Length: :26

Program: 10 P.M.

Date: 8/18/11

Description: A report that tax-free weekend will start tomorrow.

Length: :17

ECONOMIC DEVELOPMENT

Program: 10 P.M.

Date: 8/22/11

Description: A report that more parents are driving kids to and from school since Keller ISD started charging students to ride the bus.

Length: :17

Program: 10 P.M.

Date: 8/24/11

Description: A report that Steve jobs has been battling cancer for several years now and has been on medical leave since January. He gave the board of Apple his resignation letter late today. Tim Cook has been named his replacement.

Length: :17

Program: 10 P.M.

Date: 8/24/11

Description: A report that Arlington residents are fighting to get the lights turned back on. 2 years ago the city started turning off half the lights in certain areas to save energy and money. Some people say that it's just made certain streets darker and more dangerous.

Length: 1:55

Program: 10 P.M.

Date: 8/26/11

Description: A report that looks at people with variable rate electric plans and the current heat wave.

Length: 4:10

Program: 4 P.M.

Date: 9/8/11

Description: A report that the new Omni Hotel in Dallas is holding a 3-day hiring fair to recruit and interview candidates next week.

Length: :22

Program: 4 P.M.

Date: 9/9/11

Description: A report that looks at how many companies are desperately looking to hire more workers.

Length: 1:59

ECONOMIC DEVELOPMENT

Program: 4 P.M.

Date: 9/12/11

Description: A report that President Obama sent his \$447 billion jobs plan to congress today. The White House says the plan would pay for itself by cutting some tax breaks for oil and gas companies, corporate jet owners and Americans making over \$200,000 a year.

Length: :30

Program: 4 P.M.

Date: 9/12/11

Description: A report that grocers are paying 4% more for food this year, but many don't want to raise prices because they are afraid their customers will find a rival store with a better deal. Right now, their strategy is to cut better deals with vendors and to offer promotions that help customers save.

Length: :19

Program: 4 P.M.

Date: 9/12/11

Description: A report that the Insurance Research Council found about 1 in 7 drivers do not carry insurance, but the numbers continue to rise and that costs those who do carry insurance. The latest data puts that number at \$10.8 billion in 2007.

Length: :23

Program: 6 P.M.

Date: 9/15/11

Description: A report that hundreds of Texas homeowners worried they could lose their homes to foreclosure flocked to the Dallas Convention Center for the "Save the Dream Tour" in Texas. The program offers free services to Texans trying to hold onto their homes.

Length: 1:51

Program: 6 P.M.

Date: 9/16/11

Description: A report that a republican gave up his opposition to building bike paths, which paves the way for millions of dollars for highway construction jobs. Those 2 million jobs are needed desperately.

Length: 2:05

Program: 4 P.M.

Date: 9/19/11

Description: A report that many North Texas churches are growing, and that means they're expanding. Instead of simply adding on to their existing buildings, many mega churches are now building new ones.

Length: 2:10

ECONOMIC DEVELOPMENT

Program: 6 P.M.

Date: 9/19/11

Description: A report that the Cowtown coliseum, stockyards Championship Rodeo and rand Hand Rescue will be raising money on Friday night. Wildfires and drought have caused ranchers to bring in hay from out of state, which doubles the cost.

Length: :35

Program: 4 P.M.

Date: 9/21/11

Description: A report that sales of existing homes went up in August. Most of the growth came from people buying foreclosed properties. Short sales made up nearly a third of all homes purchased during the month of August. Experts say more people could switch from renting to buying because rent is going up.

Length: :21

Program: 4 P.M.

Date: 9/21/11

Description: A report that people hit the streets of Dallas in protest of budget cuts to Dallas Fire Rescue. The City manager wants to save a million dollars by taking a fires truck out of service, and cutting shifts for 9-1-1 dispatchers.

Length: :22

Program: 6 P.M.

Date: 9/23/11

Description: A report that a pilot program in Rockwall will allow students to bring all their gadgets to class instead of banning them from the classroom this semester.

Length: :36

Program: 4 P.M.

Date: 9/27/11

Description: A report that looks at the economic impact that the Barnett Shale has had, versus what was projected a decade ago.

Length: 1:38

Program: 10 P.M.

Date: 9/27/11

Description: A report that in the last 3 months, the cost of 16 staple foods increased 72 cents, according to the Texas Farm Bureau.

Length: :15

ECONOMIC DEVELOPMENT

Program: 10 P.M.

Date: 9/27/11

Description: A report that American Airlines is making plans to use its airlines as collateral to borrow over \$725 million. It will take the company until 2021 to pay off the loan.

Length: :15

Program: 10 P.M.

Date: 9/30/11

Description: A report that according to a study by a leading telecom tax economist shows Texas ranked 10th in the nation for cell phone taxes. On average, more than 17% of your bill goes to government fees.

Length: :25

EDUCATION

Program: 4 P.M.

Date: 7/4/11

Description: A report that kids who are considered “late-talkers” usually catch up by the time they start school. An estimated 18% of kids are considered late-talkers by the time they reach age 2. Researchers in Australia followed over 2,800 families from the time their children were born through age 17. The kids who have slight language delays at age 2 tended to have mild behavioral problems, but were no more likely to continue having such issues than other children.
Length: :28

Program: 4 P.M.

Date: 7/5/11

Description: A report that the Department of Education has a new website that lets prospective college students figure out their costs. It compares tuition rates and prices minus financial aid for schools during the 2009-2010 school year.
Length: :18

Program: 5 P.M.

Date: 7/14/11

Description: A report that Dallas County health officials are teaming up with a local church to hold a back-to-school immunization clinic this weekend. Students will not be allowed to attend classes if their shots are not up to date.
Length: :26

Program: 6 P.M.

Date: 7/15/11

Description: A report that starting in September, due to a new state law, people born on or after September 1, 1993 will be required to take a boating safety class before getting a boating safety certification.
Length: :35

Program: 5 Talk Street

Date: 7/16/11

Description: A community affairs talk show that discussed the efforts to stop bullying in schools with representatives of Bully Proof USA. We sat down with a representative from Champion Windows to talk about their “Close the Window on Hunger” food drive. Communities in Schools discussed their efforts to stop kids from dropping out of school.
Length: 30:00

Program: 10 P.M.

Date: 7/18/11

Description: A report that Keller ISD students will now have to pay in order to ride the bus this year.
Length: 2:21

EDUCATION

Program: 6 P.M.

Date: 8/2/11

Description: A report that Dallas USD and the UNCF awarded scholarships to 22 students today. The scholarships were made possible entirely from Dallas ISD employee donations.

Length: :17

Program: 5 Talk Street

Date: 8/6/11

Description: A community affairs talk show that discussed the exceptions to keep in mind while shopping on tax-free weekend. A representative with the Alzheimer's Association talked about the devastating disease and the efforts they are undertaking to combat it. The Ringmaster with Ringling Bros. and Barnum & Bailey Circus spoke about the elephant conservation efforts they were undertaking. We spoke with a representative with Score a Goal in the Classroom to talk about the important things we can do to make sure that kids have a successful school year.

Length: 30:00

Program: 4 P.M.

Date: 8/08/11

Description: A report that students in the Cedar Hill District will have a longer school day this year. The 30 minutes per day extension will provide 11 more days of instructional time without adding extra dollars to the budget.

Length: :20

Program: 5 Talk Street

Date: 8/13/11

Description: A community affairs talk show that discussed cystic fibrosis with representatives from the Cystic Fibrosis Foundation. In honor of Hispanic Heritage Month, we sat down with representatives of the Fort Worth Hispanic Chamber to find out about the services that the chamber provides. Representatives with Lockheed Martin stopped by to discuss their efforts to encourage students to pursue high levels of science, math, technology and engineering in school.

Length: 30:00

Program: 10 P.M.

Date: 8/15/11

Description: A report that UNT grad, Charn Uswachoke, has pledged \$22 million to his alma mater. Most of the fund will benefit the music, engineering and business programs, and fund scholarships.

Length: :18

EDUCATION

Program: 4 P.M.

Date: 8/16/11

Description: A report that the latest CDC data available says that in 2007, 66 children under 10 years old drowned in Texas. Now, a North Texas swim school is preparing kids for a real life situation they say could easily happen.

Length: 2:15

Program: 6 P.M.

Date: 8/17/11

Description: A report that looks at the fines for using a cell phone in school zones in various cities around the metroplex.

Length: :25

Program: 10 P.M.

Date: 8/22/11

Description: A report that incomplete immunizations may keep hundreds of North Texas students out of class again today. Lines were long today at Dallas County Health and Human Services. Schools are turning away students without the mandatory shots.

Length: :34

Program: 10 P.M.

Date: 8/22/11

Description: A report that more parents are driving kids to and from school since Keller ISD started charging students to ride the bus.

Length: :17

Program: 4 P.M.

Date: 9/8/11

Description: A report that a back to school education pep rally was held at Haltom High School to celebrate the new advanced math and science program. The classes were made possible by a grant from the North Tarrant Express Project.

Length: :19

Program: 6 P.M.

Date: 9/12/11

Description: A report that the massive wildfire in Bastrop is now 60% contained and classes resumed in the Bastrop school district where over 1,500 homes were destroyed. Buses were stopping at hotels and motels to pick up students displaced by the fires.

Length: :22

EDUCATION

Program: 4 P.M.

Date: 9/19/11

Description: A report that Lewisville ISD is inviting the entire community to attend its education summits this week. School leaders want as much input as they can get to shape the future of education in Lewisville.

Length: :30

Program: 10 P.M.

Date: 9/21/11

Description: A report that the Episcopal School of Dallas is vowing to appeal a multi-million dollar civil judgment over a teacher-student relationship.

Length: 2:29

Program: 10 P.M.

Date: 9/21/11

Description: A report that a Fort Worth mother says her son was suspended for stating his religious beliefs at school. The boy told a friend that he thinks homosexuality is wrong during a classroom discussion about religion at Western Hills High School.

Length: :37

Program: 4 P.M.

Date: 9/22/11

Description: A report that more babies die in Tarrant County before their 1st birthday than anywhere else in Texas. Leaders of the Infant Mortality Summit say educating mothers about how to care for themselves while pregnant is key.

Length: :33

Program: 6 P.M.

Date: 9/23/11

Description: A report that a pilot program in Rockwall will allow students to bring all their gadgets to class instead of banning them from the classroom this semester.

Length: :36

Program: 4 P.M.

Date: 9/29/11

Description: A report that the class of 2014 at Nimitz High School in Irving got a high-powered pep rally featuring NBC 5 and Telemundo employees, who spoke on the importance of education and shared stories of succeeding despite academic and financial challenges.

Length: :25

EDUCATION

Program: 10 P.M.

Date: 9/30/11

Description: A report that dozens of parents are demanding action tonight over claims of child abuse at Ebby Halliday Elementary School, which just opened last month in South Dallas.

Parents say their children have been pinched, struck and touched inappropriately by teachers and students. An investigation is already underway and some school staff members have been reassigned.

Length: :38

ENVIRONMENT

Program: 4 P.M.

Date: 7/5/11

Description: A report that Fort Worth set a record for water use in June, with over eight billion gallons of water being pumped to customers.

Length: 2:20

Program: 5 P.M.

Date: 7/20/11

Description: A report that American Airlines will buy at least 460 new planes over the next 5 years. 200 will come from Boeing, 260 will come from Airbus. These planes will be more fuel efficient and replace the aging fleet of gas guzzling MD-80's

Length: 4:29

Program: 4 P.M.

Date: 8/3/11

Description: A report that North Texas ranchers are struggling to find hay for their livestock. The heat and dry conditions have scorched hay crops across the state, creating a severe shortage.

Length: :32

Program: 5 Talk Street

Date: 8/6/11

Description: A community affairs talk show that discussed the exceptions to keep in mind while shopping on tax-free weekend. A representative with the Alzheimer's Association talked about the devastating disease and the efforts they are undertaking to combat it. The Ringmaster with Ringling Bros. and Barnum & Bailey Circus spoke about the elephant conservation efforts they were undertaking. Program: 10 P.M.

Date: 8/1/11

Description: A report that starting a year from today, insurance companies will be required to cover birth control for women.

Length: 1:25

Program: 10 P.M.

Date: 8/1/11

Description: A report that Delta will refund the ticket taxes charged during the FAA shutdown to passengers who bought tickets before the shutdown and then traveled during it.

Length: :20

Program: 10 P.M.

Date: 8/5/11

Description: A report that for the first time ever, the credit rating of the U.S. has been downgraded by Standard and Poor's from AAA to AA+.

Length: 2:33

GOVERNMENT

Program: 10 P.M.

Date: 8/09/11

Description: A report that the City of Irving is moving to stage 2 water restrictions starting on Thursday. Violators of the water restrictions can face fines up to \$2,000.

Length: :13

Program: 10 P.M.

Date: 8/09/11

Description: A report that Fort Worth could be the next big city to go to mandatory water restrictions. The city says its reservoir levels are at 79% right now. Restrictions kick in when levels fall below 75%.

Length: :26

Program: 6 P.M.

Date: 8/17/11

Description: A report that looks at the fines for using a cell phone in school zones in various cities around the metroplex.

Length: :25

Program: 10 P.M.

Date: 8/18/11

Description: A report that tax-free weekend will start tomorrow.

Length: :17

Program: 10 P.M.

Date: 8/22/11

Description: A report that incomplete immunizations may keep hundreds of North Texas students out of class again today. Lines were long today at Dallas County Health and Human Services. Schools are turning away students without the mandatory shots.

Length: :34

Program: 10 P.M.

Date: 8/24/11

Description: A report that an elm tree fell on a Carrollton woman's car and worries her home may be next. The tree fell because the roots are bone dry and watering restrictions are making things worse. Another tree is currently leaning over her home.

Length: :38

Program: 10 P.M.

Date: 8/24/11

Description: A report that Arlington residents are fighting to get the lights turned back on. 2 years ago the city started turning off half the lights in certain areas to save energy and money. Some people say that it's just made certain streets darker and more dangerous.

Length: 1:55

GOVERNMENT

Program: 5 Talk Street

Date: 9/3/11

Description: A community affairs talk show that discusses public issues. We spoke with representatives from Komen Race for the Cure about their first ever race occurring in Denton. We found out more about the Cystic Fibrosis Foundation and the strides they were making for people suffering from cystic fibrosis. Cancer Support Community informed our viewers of the services that they provide for those diagnosed with cancer. In honor of Hispanic Heritage Month, we sat down with a representative of the City of Fort Worth to find out about the city's Hispanic Heritage Employees Celebration.

Length: 30:00

Program: 4 P.M.

Date: 9/9/11

Description: A report that the CDC has released data on food borne illnesses from 2008. The food groups most associated with food borne illnesses were fruits, vegetables and nuts. Outbreaks accounted for over 23,000 illnesses and 22 deaths.

Length: :23

Program: 6 P.M.

Date: 9/9/11

Description: A report that government investigators notified Parkland Hospital today that it has been booted from participation in the Medicare Program. The Centers for Medicare and Medicaid Services found Parkland did not do enough to correct recently discovered threats to patient safety.

Length: :18

Program: 6 P.M.

Date: 9/12/11

Description: A report that according to a new CNN poll, Rick Perry has a double-digit lead among the declared candidates.

Length: 1:26

Program: 6 P.M.

Date: 9/12/11

Description: A report that the FAA is proposing a \$1.1 million fine for a company that repairs planes for Southwest Airlines. FAA administrators say Aviation Technical Services Inc. cut corners on critical maintenance repairs leading to alleged violations on 44 Southwest Airlines planes.

Length: 1:34

GOVERNMENT

Program: 4 P.M.

Date: 9/12/11

Description: A report that President Obama sent his \$447 billion jobs plan to congress today. The White House says the plan would pay for itself by cutting some tax breaks for oil and gas companies, corporate jet owners and Americans making over \$200,000 a year.

Length: :30

Program: 4 P.M.

Date: 9/12/11

Description: A report that the Insurance Research Council found about 1 in 7 drivers do not carry insurance, but the numbers continue to rise and that costs those who do carry insurance. Every state, except New Hampshire, has laws that require drivers have insurance. The latest data puts that number at \$10.8 billion in 2007.

Length: :23

Program: 4 P.M.

Date: 9/14/11

Description: A report that the Arlington City Council approved a ban on texting and driving.

Length: 2:31

Program: 6 P.M.

Date: 9/15/11

Description: A report that an identity thief accused of harming hundreds of people was sentenced to 6 years in federal prison. He targeted members of the military and the Dallas based Army Air Force Exchange Program.

Length: 2:31

Program: 6 P.M.

Date: 9/16/11

Description: A report that a republican gave up his opposition to building bike paths, which paves the way for millions of dollars for highway construction jobs. Those 2 million jobs are needed desperately.

Length: 2:05

Program: 6 P.M.

Date: 9/19/11

Description: A report that the Tarrant County Health Department is offering the flu vaccine beginning today for \$20.

Length: :18

GOVERNMENT

Program: 4 P.M.

Date: 9/22/11

Description: A report that the little bit of rain we received this week may have lessened the wildfire dangers, but has done nothing to address the drought. Board members for the North Texas Municipal Water District are meeting right now to decide if they'll authorize stage 3 water restrictions as a means to stretch a dwindling water supply.

Length: 1:10

Program: 4 P.M.

Date: 9/27/11

Description: A report that some birth control pills may increase the risk for blood clots more than others. The FDA is concerned about a new study of 800,000 women that suggests pills containing drospirenone cause a 1.5 fold higher risk.

Length: :41

Program: 10 P.M.

Date: 9/27/11

Description: A report that in the last 3 months, the cost of 16 staple foods increased 72 cents, according to the Texas Farm Bureau.

Length: :15

Program: 4 P.M.

Date: 9/29/11

Description: A report that many local pools could be closed next year if they don't buy an extra safety system. The federal government is requiring all public pools with a single drain to have a back-up system that could shut off the suction. The rule is meant to protect kids after several were trapped in drains and died.

Length: :26

Program: 4 P.M.

Date: 9/29/11

Description: A report that the city of Fort Worth is looking at the idea of adding more council districts. The city currently has eight single-member districts and the citywide elected mayor. Census data shows the city grew 36% over the last decade, so the council is looking at adding 2 districts.

Length: :34

Program: 4 P.M.

Date: 9/30/11

Description: A report that fixed mortgage rates have fallen to a new historic low, and could keep falling. Freddie Mac says the average rate on a 30-year fixed mortgage fell to 4.01% this week. The average on 15-year fixed mortgages dropped down to 3.28% this week.

Length: :22

GOVERNMENT

Program: 10 P.M.

Date: 9/30/11

Description: A report that according to a study by a leading telecom tax economist shows Texas ranked 10th in the nation for cell phone taxes. On average, more than 17% of your bill goes to government fees.

Length: :25

HEALTH AND MEDICAL

Program: 4 P.M.

Date: 7/5/11

Description: A report that a new study recommends mammogram-screening intervals should be based on individual risk factors instead of one guideline for all women. Researchers found mammograms every 2 years were cost effective for women between the ages of 40 and 49 with high breast density or other breast cancer risk factors.

Length: :23

Program: 4 P.M.

Date: 7/5/11

Description: A report that Kaiser Permanente looked at the medical records of autistic children and their mothers and found that women who took anti-depressants a year prior to delivery were more than twice as likely to have a child later diagnosed with autism than those not taking antidepressants.

Length: :24

Program: 4 P.M.

Date: 7/12/11

Description: A report that according to the National Cancer Institute, men are more likely to die from cancers like lung, colon, lips, esophagus and bladder than women.

Length: :25

Program: 5 P.M.

Date: 7/14/11

Description: A report that Dallas County health officials are teaming up with a local church to hold a back-to-school immunization clinic this weekend. Students will not be allowed to attend classes if their shots are not up to date.

Length: :26

Program: 5 Talk Street

Date: 7/16/11

Description: A community affairs talk show that discussed the efforts to stop bullying in schools with representatives of Bully Proof USA. We sat down with a representative from Champion Windows to talk about their "Close the Window on Hunger" food drive. Communities in Schools discussed their efforts to stop kids from dropping out of school.

Length: 30:00

Program: 5 P.M.

Date: 7/21/11

Description: A report that we are now at 20 consecutive days over 100 degrees. With today being dollar zoo day, heat stroke was a major concern at the Dallas Zoo.

Length: 2:07

HEALTH AND MEDICAL

Program: 10 P.M.

Date: 7/25/11

Description: A report that due to expiring patents, there will be generic versions of seven of the world's best selling drugs including Lipitor and Plavix.

Length: :25

Program: 10 P.M.

Date: 8/1/11

Description: A report that starting a year from today, insurance companies will be required to cover birth control for women.

Length: 1:25

Program: 4 P.M.

Date: 8/2/11

Description: A report that a varsity football player from Waxahachie was rushed to the hospital this morning after signs of heat illness.

Length: :19

Program: 5 Talk Street

Date: 8/6/11

Description: A community affairs talk show that discussed the exceptions to keep in mind while shopping on tax-free weekend. A representative with the Alzheimer's Association talked about the devastating disease and the efforts they are undertaking to combat it. The Ringmaster with Ringling Bros. and Barnum & Bailey Circus spoke about the elephant conservation efforts they were undertaking. We spoke with a representative with Score a Goal in the Classroom to talk about the important things we can do to make sure that kids have a successful school year.

Length: 30:00

Program: 4:30 A.M.

Date: 8/8/11

Description: A report that the Salvation Army has opened 15 cooling stations across the area to help anyone who needs a cool place to go.

Length: 2:40

Program: 10 P.M.

Date: 8/5/11

Description: A report that looks if the summer heat could affect your prescription drugs sent in the mail.

Length: 3:51

HEALTH AND MEDICAL

Program: 4 P.M.

Date: 8/09/11

Description: A report that researchers developed a model that determined a patient's risk for progressing to advanced macular degeneration. More research is needed before the model is widely used.

Length: :19

Program: 5 Talk Street

Date: 8/13/11

Description: A community affairs talk show that discussed cystic fibrosis with representatives from the Cystic Fibrosis Foundation. In honor of Hispanic Heritage Month, we sat down with representatives of the Fort Worth Hispanic Chamber to find out about the services that the chamber provides. Representatives with Lockheed Martin stopped by to discuss their efforts to encourage students to pursue high levels of science, math, technology and engineering in school.

Length: 30:00

Program: 4 P.M.

Date: 8/16/11

Description: A report that experts at the American Society of Addiction Medicine are changing the definition of addiction to emphasize the fact that it's not just a behavioral problem, but also a disease of the brain.

Length: :35

Program: 4 P.M.

Date: 8/19/11

Description: A report that 26 million people across the country have chronic kidney disease and most don't even know it. There is an update on Kristi Nelson giving her mother a kidney.

Length: 4:27

Program: 10 P.M.

Date: 8/22/11

Description: A report that incomplete immunizations may keep hundreds of North Texas students out of class again today. Lines were long today at Dallas County Health and Human Services. Schools are turning away students without the mandatory shots.

Length: :34

Program: 4 P.M.

Date: 8/29/11

Description: A report Harvard researchers found that that older men who don't get enough sleep could have an increased risk for high blood pressure.

Length: :22

HEALTH AND MEDICAL

Program: 4 P.M.

Date: 9/2/11

Description: A report that allergy drops taken orally can replace allergy injection treatments for most patients.

Length: :25

Program: 5 Talk Street

Date: 9/3/11

Description: A community affairs talk show that discusses public issues. We spoke with representatives from Komen Race for the Cure about their first ever race occurring in Denton. We found out more about the Cystic Fibrosis Foundation and the strides they were making for people suffering from cystic fibrosis. Cancer Support Community informed our viewers of the services that they provide for those diagnosed with cancer. In honor of Hispanic Heritage Month, we sat down with a representative of the City of Fort Worth to find out about the city's Hispanic Heritage Employees Celebration.

Length: 30:00

Program: 4 P.M.

Date: 9/8/11

Description: A report that according to a new report from the nation's drug czar, nearly one in ten Americans abuse drugs.

Length: :23

Program: 4 P.M.

Date: 9/8/11

Description: A report that researchers at the National Cancer Institute looked at HPV clinical trial data and found that women may be protected from cervical cancer after only one dose instead of the 3 taken over 6 months when the vaccine is administered.

Length: :26

Program: 4 P.M.

Date: 9/9/11

Description: A report that the CDC has released data on food borne illnesses from 2008. The food groups most associated with food borne illnesses were fruits, vegetables and nuts.

Outbreaks accounted for over 23,000 illnesses and 22 deaths.

Length: :23

HEALTH AND MEDICAL

Program: 6 P.M.

Date: 9/9/11

Description: A report that government investigators notified Parkland Hospital today that it has been booted from participation in the Medicare Program. The Centers for Medicare and Medicaid Services found Parkland did not do enough to correct recently discovered threats to patient safety.

Length: :18

Program: 4 P.M.

Date: 9/12/11

Description: A report that researchers at Northwestern University found that most men in their 20's had high levels of testosterone before becoming fathers.

Length: :26

Program: 4 P.M.

Date: 9/12/11

Description: A report that new research finds that some cartoons with fast paced story lines can have long-term effects on kids' brains.

Length: 2:00

Program: 4 P.M.

Date: 9/12/11

Description: A report that Finnish researchers found alcohol or drugs were responsible for nearly 4 in 10 deaths of patients who were diagnosed within 20 years with type-1 diabetes.

Length: :21

Program: 4 P.M.

Date: 9/12/11

Description: A report that an advisory panel to the FDA has recommended labels for drugs like Boniva should reflect the length of time women should take them.

Length: :22

Program: 6 P.M.

Date: 9/19/11

Description: A report that the Tarrant County Health Department is offering the flu vaccine beginning today for \$20.

Length: :18

Program: 4 P.M.

Date: 9/20/11

Description: A report that researchers found kids who had gone three or more years since their last whooping cough vaccine were 20 times more likely to be infected.

Length: :18

HEALTH AND MEDICAL

Program: 4 P.M.

Date: 9/21/11

Description: A report that researchers at Massachusetts General Hospital found that the use of Ritalin successfully sped up recovery time in animal studies from general anesthesia.

Length: :20

Program: 4 P.M.

Date: 9/22/11

Description: A report that Children's Medical Center is showing off a new chopper. This bigger chopper will be able to transport 2 patients at a time, plus have room for family to ride on board.

Length: :40

Program: 4 P.M.

Date: 9/22/11

Description: A report that more babies die in Tarrant County before their 1st birthday than anywhere else in Texas. Leaders of the Infant Mortality Summit say educating mothers about how to care for themselves while pregnant is key.

Length: :33

Program: 4 P.M.

Date: 9/22/11

Description: A report that women who have an intense fear of childbirth are more likely to have a c-section.

Length: :22

Program: 6 P.M.

Date: 9/23/11

Description: A report that Denton will host its first ever Denton Race For The Cure tomorrow.

Length: :16

Program: 4 P.M.

Date: 9/27/11

Program: 4 P.M.

Date: 8/1/11

Description: A report that the Texas Transportation Institute released a report today of nearly 300 intersections in Texas. It found that red light related crashes dropped 25% after traffic cameras were installed.

Length: :26

Program: 10 P.M.

Date: 8/5/11

Description: A report that looks if the summer heat could affect your prescription drugs sent in the mail.

Length: 3:51

Program: 4:30 A.M.

Date: 8/8/11

Description: A report that the Salvation Army has opened 15 cooling stations across the area to help anyone who needs a cool place to go.

Length: 2:40

Program: 10 P.M.

Date: 8/09/11

Description: A report that an 8 year old saved a toddler from drowning in an apartment complex pool. There were no adults around, so the 8 year old took matters into his own hands

Length: :38

Program: 6 P.M.

Date: 8/10/11

Description: A report that first responders held a training exercise at the naval air station joint reserve base in Fort Worth today to practice procedures that would be used to decontaminate large numbers of people.

Length: :15

SAFETY

Program: 4 P.M.

Date: 8/16/11

Description: A report that the latest CDC data available says that in 2007, 66 children under 10 years old drowned in Texas. Now, a North Texas swim school is preparing kids for a real life situation they say could easily happen.

Length: 2:15

Program: 6 P.M.

Date: 8/17/11

Description: A report that looks at the fines for using a cell phone in school zones in various cities around the metroplex.

Length: :25

Program: 10 P.M.

Date: 8/22/11

Description: A report that incomplete immunizations may keep hundreds of North Texas students out of class again today. Lines were long today at Dallas County Health and Human Services. Schools are turning away students without the mandatory shots.

Length: :34

Program: 10 P.M.

Date: 8/24/11

Description: A report that an elm tree fell on a Carrollton woman's car and worries her home may be next. The tree fell because the roots are bone dry and watering restrictions are making things worse. Another tree is currently leaning over her home.

Length: :38

Program: 10 P.M.

Date: 8/24/11

Description: A report that Arlington residents are fighting to get the lights turned back on. 2 years ago the city started turning off half the lights in certain areas to save energy and money. Some people say that it's just made certain streets darker and more dangerous.

Length: 1:55

Program: 4 P.M.

Date: 9/8/11

Description: A report that according to a new report from the nation's drug czar, nearly one in ten Americans abuse drugs.

Length: :23

SAFETY

Program: 4 P.M.

Date: 9/9/11

Description: A report that the CDC has released data on food borne illnesses from 2008. The food groups most associated with food borne illnesses were fruits, vegetables and nuts.

Outbreaks accounted for over 23,000 illnesses and 22 deaths.

Length: :23

Program: 6 P.M.

Date: 9/9/11

Description: A report that government investigators notified Parkland Hospital today that it has been booted from participation in the Medicare Program. The Centers for Medicare and Medicaid Services found Parkland did not do enough to correct recently discovered threats to patient safety.

Length: :18

Program: 10 P.M.

Date: 9/11/11

Description: A report that security is tight across America, especially at airports. At DFW, an unattended rental truck full of fireworks set off alarms.

Length: 2:13

Program: 4 P.M.

Date: 9/12/11

Description: A report that an advisory panel to the FDA has recommended labels for drugs like Boniva should reflect the length of time women should take them.

Length: :22

Program: 6 P.M.

Date: 9/12/11

Description: A report that the massive wildfire in Bastrop is now 60% contained and classes resumed in the Bastrop school district where over 1,500 homes were destroyed. Buses were stopping at hotels and motels to pick up students displaced by the fires.

Length: :22

Program: 6 P.M.

Date: 9/12/11

Description: A report that the FAA is proposing a \$1.1 million fine for a company that repairs planes for Southwest Airlines. FAA administrators say Aviation Technical Services Inc. cut corners on critical maintenance repairs leading to alleged violations on 44 Southwest Airlines planes.

Length: 1:34

SAFETY

Program: 4 P.M.

Date: 9/14/11

Description: A report that the Arlington City Council approved a ban on texting and driving.

Length: 2:31

Program: 10 P.M.

Date: 9/14/11

Description: A report that Flu Mist, which has been used mostly on kids in the past, is now available for adults.

Length: :36

Program: 6 P.M.

Date: 9/19/11

Description: A report that the Tarrant County Health Department is offering the flu vaccine beginning today for \$20. The CDC recommends a flu shot for anyone 6 months or older.

Length: :18

Program: 4 P.M.

Date: 9/20/11

Description: A report that researchers found kids who had gone three or more years since their last whooping cough vaccine were 20 times more likely to be infected.

Length: :18

Program: 4 P.M.

Date: 9/20/11

Description: A report that some people are using car seats incorrectly, and that kids are also not staying in a booster seat long enough.

Length: :22

Program: 4 P.M.

Date: 9/21/11

Description: A report that trucks delivering foods to grocery stores may not be refrigerated, causing some products to grow dangerous bacteria.

Length: 1:20

Program: 6 P.M.

Date: 9/21/11

Description: A report that the recycling program in Arlington could be getting a makeover that will likely impact convenience, costs and safety.

Length: 1:47

SAFETY

Program: 4 P.M.

Date: 9/22/11

Description: A report that Children's Medical Center is showing off a new chopper. This bigger chopper will be able to transport 2 patients at a time, plus have room for family to ride on board.

Length: :40

Program: 4 P.M.

Date: 9/27/11

Description: A report that some birth control pills may increase the risk for blood clots more than others. The FDA is concerned about a new study of 800,000 women that suggests pills containing drospirenone cause a 1.5 fold higher risk.

Length: :41

TRANSPORTATION

Program: 4 P.M.

Date: 7/5/11

Description: A report that researchers at the University of California San Diego studied national data on fatal car crashes from 1994 to 2008. They found a blood alcohol concentration that was barely detectable, .01, was linked to accidents that were 36% more severe than those in which no alcohol was found.

Length: :34

Program: 5 A.M.

Date: 7/4/11

Description: A report that statistics show alcohol is the leading contributing factor in fatal boating accidents. Now local, state and even federal officials are cracking down.

Length: 1:30

Program: 5 P.M.

Date: 7/14/11

Description: A report that Dallas County health officials are teaming up with a local church to hold a back-to-school immunization clinic this weekend. Students will not be allowed to attend classes if their shots are not up to date.

Length: :26

Program: 10 P.M.

Date: 7/15/11

Description: A report that Denton's A-train slowed from 60 miles per hour to 40 between Trinity Mills and Hebron Parkway because they were worried about minor warping on the train's tracks due to the heat.

Length: :15

Program: 10 P.M.

Date: 7/18/11

Description: A report that the 16th Annual Solar Car Challenge is taking place at Texas Motor Speedway. High school students designed, engineered and built the energy efficient cars.

Length: :20

Program: 10 P.M.

Date: 7/18/11

Description: A report that Keller ISD students will now have to pay in order to ride the bus this year.

Length: 2:21

TRANSPORTATION

Program: 5 P.M.

Date: 7/20/11

Description: A report that American Airlines will buy at least 460 new planes over the next 5 years. 200 will come from Boeing, 260 will come from Airbus.

Length: 4:29

Program: 4 P.M.

Date: 8/1/11

Description: A report that the Texas Transportation Institute released a report today of nearly 300 intersections in Texas. It found that red light related crashes dropped 25% after traffic cameras were installed.

Length: :26

Program: 10 P.M.

Date: 8/1/11

Description: A report that Delta will refund the ticket taxes charged during the FAA shutdown to passengers who bought tickets before the shutdown and then traveled during it.

Length: :20

Program: 10 P.M.

Date: 8/09/11

Description: A report that DART approved plans to charge some of its riders to park at two popular stations. Customers who don't live within the agency's 13-city service area will have to pay to park at DART's Parker road station and North Carrollton/Frankford station. Rates will be \$2 a day or \$40 a month.

Length: :20

Program: 6 P.M.

Date: 8/17/11

Description: A report that looks at the fines for using a cell phone in school zones in various cities around the metroplex.

Length: :25

Program: 10 P.M.

Date: 8/22/11

Description: A report that new consumer protection rules allows airlines to be fined up to \$27,000 if an international flight waits on the tarmac for more than four hours. Passengers would get double the price of their ticket

Length: :

TRANSPORTATION

Program: 4 P.M.

Date: 9/12/11

Description: A report that the Insurance Research Council found about 1 in 7 drivers do not carry insurance, but the numbers continue to rise and that costs those who do carry insurance. The latest data puts that number at \$10.8 billion in 2007.

Length: :23

Program: 6 P.M.

Date: 9/12/11

Description: A report that the massive wildfire in Bastrop is now 60% contained and classes resumed in the Bastrop school district where over 1,500 homes were destroyed. Buses were stopping at hotels and motels to pick up students displaced by the fires.

Length: :22

Program: 6 P.M.

Date: 9/12/11

Description: A report that the FAA is proposing a \$1.1 million fine for a company that repairs planes for Southwest Airlines. FAA administrators say Aviation Technical Services Inc. cut corners on critical maintenance repairs leading to alleged violations on 44 Southwest Airlines planes.

Length: 1:34

Program: 4 P.M.

Date: 9/13/11

Description: A report that children under 12 will no longer be forced to remove their shoes while being screened at airports. There will also be changes in the controversial pat-downs.

Length: :22

Program: 4 P.M.

Date: 9/14/11

Description: A report that the Arlington City Council approved a ban on texting and driving.

Length: 2:31

Program: 4 P.M.

Date: 9/20/11

Description: A report that some people are using car seats incorrectly, and that kids are also not staying in a booster seat long enough.

Length: :22

Program: 4 P.M.

Date: 9/21/11

Description: A report that trucks delivering foods to grocery stores may not be refrigerated, causing some products to grow dangerous bacteria.

Length: 1:20

TRANSPORTATION

Program: 4 P.M.

Date: 9/22/11

Description: A report that Children's Medical Center is showing off a new chopper. This bigger chopper will be able to transport 2 patients at a time, plus have room for family to ride on board.

Length: :40

Program: 10 P.M.

Date: 9/27/11

Description: A report that American Airlines is making plans to use its airlines as collateral to borrow over \$725 million. It will take the company until 2021 to pay off the loan.

Length: :15

CHILDREN

Program: 4 P.M.

Date: 7/4/11

Description: A report that kids who are considered “late-talkers” usually catch up by the time they start school. An estimated 18% of kids are considered late-talkers by the time they reach age 2. Researchers in Australia followed over 2,800 families from the time their children were born through age 17. The kids who have slight language delays at age 2 tended to have mild behavioral problems, but were no more likely to continue having such issues than other children.
Length: :28

Program: 4 P.M.

Date: 7/5/11

Description: A report that Kaiser Permanente looked at the medical records of autistic children and their mothers and found that women who took anti-depressants a year prior to delivery were more than twice as likely to have a child later diagnosed with autism than those not taking antidepressants.
Length: :24

Program: 5 Talk Street

Date: 7/16/11

Description: A community affairs talk show that discussed the efforts to stop bullying in schools with representatives of Bully Proof USA. We sat down with a representative from Champion Windows to talk about their “Close the Window on Hunger” food drive. Communities in Schools discussed their efforts to stop kids from dropping out of school.
Length: 30:00

Program: 10 P.M.

Date: 7/18/11

Description: A report that Keller ISD students will now have to pay in order to ride the bus this year.
Length: 2:21

Program: 6 P.M.

Date: 7/20/11

Description: A report that investigators are trying to shut down a “church” they say is actually a drug-infested nightclub, where the manager was dealing illegal drugs to underage girls.
Length: 1:21

CHILDREN

Program: 5 Talk Street

Date: 8/6/11

Description: A community affairs talk show that discussed the exceptions to keep in mind while shopping on tax-free weekend. A representative with the Alzheimer's Association talked about the devastating disease and the efforts they are undertaking to combat it. The Ringmaster with Ringling Bros. and Barnum & Bailey Circus spoke about the elephant conservation efforts they were undertaking. We spoke with a representative with Score a Goal in the Classroom to talk about the important things we can do to make sure that kids have a successful school year.

Length: 30:00

Program: 10 P.M.

Date: 8/09/11

Description: A report that an 8 year old saved a toddler from drowning in an apartment complex pool. There were no adults around, so the 8 year old took matters into his own hands

Length: :38

Program: 5 Talk Street

Date: 8/13/11

Description: A community affairs talk show that discussed cystic fibrosis with representatives from the Cystic Fibrosis Foundation. In honor of Hispanic Heritage Month, we sat down with representatives of the Fort Worth Hispanic Chamber to find out about the services that the chamber provides. Representatives with Lockheed Martin stopped by to discuss their efforts to encourage students to pursue high levels of science, math, technology and engineering in school.

Length: 30:00

Program: 4 P.M.

Date: 8/16/11

Description: A report that the latest CDC data available says that in 2007, 66 children under 10 years old drowned in Texas. Now, a North Texas swim school is preparing kids for a real life situation they say could easily happen.

Length: 2:15

Program: 6 P.M.

Length: :34

CHILDREN

Program: 10 P.M.

Date: 8/22/11

Description: A report that more parents are driving kids to and from school since Keller ISD started charging students to ride the bus.

Length: :17

Program: 4 P.M.

Date: 9/8/11

Description: A report that a back to school education pep rally was held at Haltom High School to celebrate the new advanced math and science program. The classes were made possible by a grant from the North Tarrant Express Project.

Length: :19

Program: 6 P.M.

Date: 9/12/11

Description: A report that the massive wildfire in Bastrop is now 60% contained and classes resumed in the Bastrop school district where over 1,500 homes were destroyed. Buses were stopping at hotels and motels to pick up students displaced by the fires.

Length: :22

Program: 4 P.M.

Date: 9/12/11

Description: A report that new research finds that some cartoons with fast paced story lines can have long-term effects on kids' brains.

Length: 2:00

Program: 4 P.M.

Date: 9/13/11

Description: A report that children under 12 will no longer be forced to remove their shoes while being screened at airports. There will also be changes in the controversial pat-downs.

Length: :22

Program: 4 P.M.

Date: 9/19/11

Description: A report that Lewisville ISD is inviting the entire community to attend its education summits this week. School leaders want as much input as they can get to shape the future of education in Lewisville.

Length: :30

CHILDREN

Program: 6 P.M.

Date: 9/19/11

Description: A report that after 8 weeks of testimony, a civil lawsuit filed against the Episcopal School of Dallas is now in the hands of a jury. A teacher at the school admitted to having a relationship with his then 16-year-old student. The school forced the student to withdraw which prompted the lawsuit.

Length: 1:55

Program: 6 P.M.

Date: 9/19/11

Description: A report that the Tarrant County Health Department is offering the flu vaccine beginning today for \$20. The CDC recommends a flu shot for anyone 6 months or older.

Length: :18

Program: 4 P.M.

Date: 9/20/11

Description: A report that some people are using car seats incorrectly, and that kids are also not staying in a booster seat long enough.

Length: :22

Program: 4 P.M.

Date: 9/22/11

Description: A report that Children's Medical Center is showing off a new chopper. This bigger chopper will be able to transport 2 patients at a time, plus have room for family to ride on board.

Length: :40

CHILDREN

Program: 4 P.M.

Date: 9/22/11

Description: A report that more babies die in Tarrant County before their 1st birthday than anywhere else in Texas. Leaders of the Infant Mortality Summit say educating mothers about how to care for themselves while pregnant is key.

Length: :33

Program: 4 P.M.

Date: 9/22/11

Description: A report that women who have an intense fear of childbirth are more likely to have a c-section.

Length: :22

Program: 6 P.M.

Date: 9/23/11

Description: A report that a pilot program in Rockwall will allow students to bring all their gadgets to class instead of banning them from the classroom this semester.

Length: :36

Program: 4 P.M.

Date: 9/27/11

Description: A report that during Education Nation, Laura Bush talked about the Alliance to Reform Education Leadership, a nationwide initiative that works to recruit and prepare principals.

Length: 3:18

Program: 4 P.M.

Date: 9/29/11

Description: A report that the class of 2014 at Nimitz High School in Irving got a high-powered pep rally featuring NBC 5 and Telemundo employees, who spoke on the importance of education and shared stories of succeeding despite academic and financial challenges.

Length: :25

Program: 4 P.M.

Date: 9/29/11

Description: A report that many local pools could be closed next year if they don't buy an extra safety system. The federal government is requiring all public pools with a single drain to have a back-up system that could shut off the suction. The rule is meant to protect kids after several were trapped in drains and died.

Length: :26

CHILDREN

Program: 4 P.M.

Date: 9/30/11

Description: A report that scientists at the children's hospital of Philadelphia just discovered 3 genetic mutations that have never been identified before that could be the cause for Type-1 Diabetes. They need to do more research before they can develop a new diabetes treatment.

Length: :24

Program: 4 P.M.

Date: 9/30/11

Description: A report that an Australian study says children who go to bed early weigh less and exercise more than those who go to bed late, even with the same amount of sleep.

Length: :23

Program: 4 P.M.

Date: 9/30/11

Description: A report that researchers at Cornell University ask 3 New York schools to put fruit in colorful bowls at the front of the lunch line for a semester, instead of metal bowls, and found that sales skyrocketed by 105% over last year.

Length: :24

Program: 10 P.M.

Date: 9/30/11

Description: A report that dozens of parents are demanding action tonight over claims of child abuse at Ebby Halliday Elementary School, which just opened last month in South Dallas.

Parents say their children have been pinched, struck and touched inappropriately by teachers and students. An investigation is already underway and some school staff members have been reassigned.

Length: :38
